## AN OBJECT LESSON SUPPLIED BY RICE

LARGE AMOUNT JAPANESE RICE BEING DISCHARGED WHILE HAWAIIAN RICE BEING SHIPPED.

A peculiar spectacle was witnessed at the Hackfeld wharf while the S. S. Manchuria was in port. From one hatch was being discharged Japanese rice and into another hatch was loaded Hawaiian rice bound for the mainland. Just 7,777 packages of Japanese-grown rice were brought here by the vessel and just 1,500 bags of locally produced rice were sent away by her. The condition furnished an object lesson in the way that the local product is being crowded out of the market by the foreign stuff.

## TO BEAUTIFY ALL HONOLULU

MEETING OF THE PROMOTION COMMITTEE AND INTERESTED CITIZENS DECIDES ON PLANS.

A joint meeting of the Promotion Committee and a number of citizens interested in the beautification of the city was held Tuesday, W. M. Giffard acting as chairman and R. S. Hosmer as secretary.

Considerable discussion took place over the planting of trees along the city streets and it was agreed that this work should be undertaken on a general system. The enforcement of the law regarding estrays was also considered imperative.

Superintendent Holloway of the Department of Public Works wrote: "As you are undoubtedly aware the maintenance and repairs to old roads as well as the construction of new ones is entirely under the direction of the County supervisors. The County Act provides that all present grades or lines for new roads shall be approved by the Superintendent of Public Works. As I have no appropriation available for any work in connection with the roads, it is impossible for me to make a final determination of grade lines. I shall, however, be glad to cooperate in every way possible with your committee as well as the County officials in improving the street conditions."

A letter from Superintendent of Public Instruction Babbitt, contained the following paragraph: "I beg to acknowledge receipt of your favor regarding the fence around the High School grounds. This matter will be brought up at the next meeting of the Commissioners of Education on Wednesday." Commodore Hobron of the Hawaii

Yacht Club reported that he was getting out entry blanks for the race from San Francisco. It was suggested that the cup be in the form of an old fashioned Hawaiian calabash, but made of silver. The cup will be paid for by the Promotion Committee but will be presented by the Yacht Club and will be known as the "Hawaii Cup."
